This property is appealing for several reasons... 1) It has 85 acres of very rich arable soil 2) Excellent highway frontage - would be a great spot for a veggie growing business or greenhouse 3) there is one house on the property and a second spot where power/gas/water/sewer is connected (great for two families) 4) An abundance of wildlife all around you including ducks, geese, and fish in Charron Lake right at your door step, plus other lakes in close proximity. 5) There is a high producing well with corrals, piping to connect 3 watering bowls, and several outbuildings a main ingredient for a hobby farming venture. The 1956 home has been extremely well kept by the original owners and nicely updated with white kitchen cabinetry, laminate floors, and modern paint colors.
