Winston Heights/Mountview, Calgary, Alberta

From the moment you step inside, it's clear this home was built with a level of quality and attention to detail that sets it apart from other similar properties—solid construction, high-end materials, and thoughtful craftsmanship throughout. Nestled on a quiet, tree-lined street, this impeccably maintained home offers both luxury and livability. The durable Hardie board exterior hints at the care taken in its construction, while inside, wide-plank hardwood floors, custom millwork, and an abundance of natural light create an inviting, elevated atmosphere. The open-concept main floor is designed with both functionality and style in mind. A sleek, modern kitchen features premium appliances, smart storage solutions, and contemporary cabinetry. The spacious dining area flows into a cozy living room with a gas fireplace, built-in speakers, and large windows with tinted glass for added privacy and energy efficiency. A custom-designed mudroom provides practical day-to-day storage, and a gas line on the stamped concrete patio is ready for your summer BBQs. Upstairs, the serene primary suite offers a spa-like escape, complete with a custom walk-in closet and a beautifully appointed ensuite with in floor heat. Two additional bedrooms, a full bathroom, and a well-located laundry room round out the upper level. The fully developed basement adds valuable living space with a warm family room, fourth bedroom, full bathroom, and smart under-stair storage. This home also includes

central A/C, an air purifier, and upgraded Roxul insulation between the common wall for sound proofing and peace of mind. Finished with a west-facing backyard, beautiful pergola, and double detached garage, this is more than just another inner-city infill—it's a rare opportunity to own a truly well-crafted home in a sought-after location. This property needs to be seen to be appreciated, book your showing today before it's too late!
