Nestled on a large pie-shaped lot in a quiet close across from a green space, this one-of-a-kind home is a rare find that exudes pride of ownership and thoughtful detail throughout.

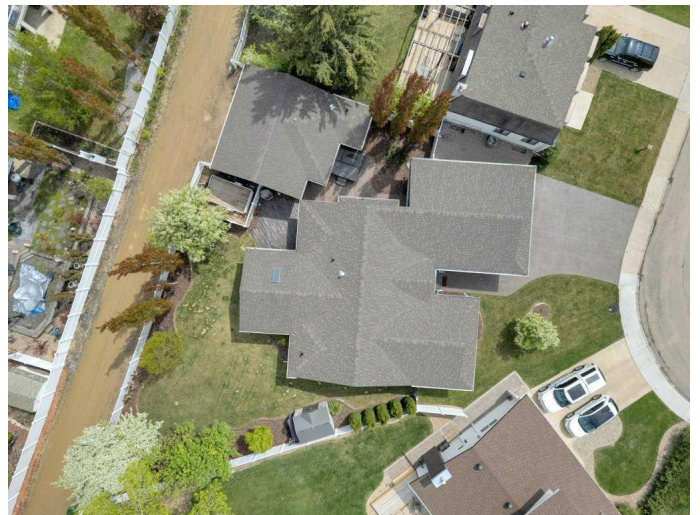

Originally renovated from the ground up in 2013â€”including all mechanical systems such as electrical, plumbing, and ABS drainageâ€”this home has been transformed into a modern sanctuary with timeless style.

The spacious open-concept floor plan seamlessly connects the living, dining, and kitchen areas, making it ideal for both entertaining and everyday living. The gourmet kitchen is a chefâ€™s dream, featuring high-end appliances, custom cabinetry, and ample counter space.

Retreat to the luxurious primary suite, complete with a spa-inspired ensuite, walk-in closet, in-suite laundry, and a private exterior door that leads to your very own hot tub.

The bright and beautifully finished lower level offers even more living space, including a large family/games room, beautiful wet bar with red quartz counters, home gym, and two spacious bedrooms connected by a convenient Jack and Jill bathroom.

Step outside to enjoy your private, low-maintenance yard with a full underground

sprinkler system. A covered front porch and back deck with a vault cedar ceiling allow you to enjoy the beautifully landscaped grounds in comfort, rain or shine.

Car enthusiasts and hobbyists will love the fully finished detached second garage (25.1â€™ x 26.1â€™), complete with its own bathroom plus a 13x18 gated storage compound and 30 amp RV plug on the attached garage. Whether for extra storage, a workshop, or your dream car collection, this versatile space adds even more value to an already impressive property.

This home offers a rare opportunity to own a truly turn-key, luxury bungalow in a serene and sought-after location. 88 Anquetel Close could be your forever home.
