Welcome to your dream home across from Livingston West Pond—where every inch is designed for comfort, style, and connection to nature.

This nearly 2,300 sq ft beauty features a rare rear double attached garage and three distinct outdoor living spaces: a welcoming front porch, a private side deck perfect for summer evenings, and a beautifully landscaped, low-maintenance front yard with a functional south-facing gravel patio—ideal for soaking up the sun, enjoying a quiet morning coffee, or gathering with friends. Thoughtfully placed greenery offers a sense of privacy, while the green space and tranquil pond just across the street beautifully extend both your view and your lifestyle.

Inside, you'll find 5 spacious bedrooms, 2.5 baths, and \$50,000 in thoughtful upgrades that make this home as functional as it is stunning.

The open-concept main floor is made for modern living, featuring a welcoming living room with central fireplace, sleek kitchen with gas line hookup, and a spacious dining area. There's even a main floor bedroom and half bath—perfect for guests or a home office. Just off the living room, a private covered deck with gas line invites you to unwind or entertain in style.

Upstairs, youâ€™ll find space for everyone. A versatile large bedroom with a trendy barn door gives you optionsâ€”a bedroom retreat, or use it for movie nights or a playroom. Two more spacious secondary bedrooms, a main 4-piece bath, convenient upstairs laundry, and a dreamy primary suite with 5-piece ensuite and walk-in closet complete the upper level.

Outside enjoy a brand new exterior (shingles, vinyl siding, gutters, garage door, and lights) that adds a fresh, modern touch. Triple-pane windows keep things cozy in winter and cool in summer.
