Lovely family home on the north end of Rocky close to schools, parks, the walking trail and strawberry hill! The tasteful updates over the last couple of years including new flooring on the main level and sunroom, trim, some paint, shingles and some appliances. The sunroom is a wonderful spot to hang out and sit, read a book and relax. There is additional storage under the sunroom with power. The kids play area could also be turned easily into a fourth bedroom. This home has been lovingly maintained and is great for a family!
